

Traveling North on I-95 (from New York):

Take Exit 42 (Saw Mill Rd.). At the end of the ramp take a right, go under overpass, straight (past Denny's Restaurant). Proceed to first left street (with traffic light). Take a left onto Alling Crossing Rd.

From Alling Crossing Rd. (For Cars Only):

The first intersection on Alling Crossing Rd. is a traffic light. Take a right turn onto Frontage Rd. At the end of Frontage Rd. take a left onto Morgan Lane. Proceed down the hill to the underpass. After the underpass take your first right onto Island Lane. Immediately bear right at the fork which is Callegari Drive, a dead end street. Jamestown Technologies (Div. of Azure LLC) is located at the end of the street on the left side.

Trucks Over 11'9" – from Alling Crossing Rd.:

Go straight at the traffic light on Alling Crossing Rd. Take a right turn onto Island Lane. At the stop sign cross Morgan Lane and bear right at the fork which is Callegari Drive, a dead end street. Jamestown Technologies (Div. of Azure LLC) is located at the end of the street on the left side.

Traveling South on I-95 (from New Haven):

Take Exit 42 (Saw Mill Rd.). This will place you at the traffic light in front of Denny's Restaurant. Take a left and proceed to first left street (with traffic light). Take a left onto Alling Crossing Rd.
